

2025-2027 CERTIFICATION CME CYCLE

CME Category & Activity Descriptions

The AOA assigns CME credit to four categories: 1-A, 1-B, 2-A and 2-B. In very general terms, Category 1 is typically osteopathic CME, and Category 2 is typically non-osteopathic CME. Category A usually consists of live activities, and Category B does not (with a few exceptions). View a detailed breakdown of CME activity options for each category below. If there is a cap or rule for an activity, it is noted in the “caps, rules, etc.” section. The cap or rule indicates the number of credits that will be applied towards a Diplomate’s AOA board certification CME requirement for the certification CME cycle.

Category 1-A		
Activity Type	Description	Caps, Rules, Etc.
Exam Administration: AOA Certifying Boards Oral, Clinical, Performance, Practical Exams	<ul style="list-style-type: none"> Administration of an oral, clinical, performance or practical examination for an AOA specialty certifying board 	<ul style="list-style-type: none"> Granted on an hour-for-hour basis
Exam Construction: Case or Item Development for Oral, Clinical, Performance, Practical Exams	<ul style="list-style-type: none"> Writing examination items which are accepted by an AOA specialty certifying board or conjoint committee 	<ul style="list-style-type: none"> Five (5) Category 1-A CME credit will be awarded for each accepted item A maximum of 15 credit hours will be applied per certification CME cycle
Exam Construction: Item Writing	<ul style="list-style-type: none"> Writing examination items of which two (2) items are accepted by: <ul style="list-style-type: none"> an AOA specialty certifying board or conjoint committee; an AOA-accredited Category 1 provider (for in-training exams); and/or the National Board of Osteopathic Medical Examiners (NBOME) 	<ul style="list-style-type: none"> One (1) Category 1-A CME credit will be awarded per two (2) accepted items A maximum of 15 credit hours will be applied per certification CME cycle
Federal Activities: Active Duty or Uniformed Service	<ul style="list-style-type: none"> Formal CME programs for participants who are on active duty or employed by a uniformed service 	<ul style="list-style-type: none"> Granted on an hour-for-hour basis All federal CME activities for participants who are not active duty or not employed by a uniformed service will receive Category 1-B CME credit
Formal Osteopathic CME	<ul style="list-style-type: none"> Formal, face-to-face programs or interactive online programs sponsored by AOA-accredited Category 1 CME sponsors 	<ul style="list-style-type: none"> Granted on an hour-for-hour basis
Interactive CME on the Internet	<ul style="list-style-type: none"> Synchronous or asynchronous delivery of interactive internet CME provided by an AOA-accredited Category 1 CME sponsor 	<ul style="list-style-type: none"> If delivery of content is asynchronous, to qualify for Category 1-A credit, instructor responses to participant questions must be received within 48 hours. Synchronous or asynchronous, interactive internet CME from <i>AMA PRA Category 1™</i> or AAFP-accredited sponsors will count as Category 2-A
