Innovation
Collaboration
Too See change, sometimes you need a Sea Change
Meet our AAOA Board:

Linda Kazen Garza
Osteopathic Advocate
In Closing

While the AOA enjoys the support of several prominent organizations, the AAOA is... and will always be, it’s most, loyal, and consistent source of support.
NBOME UPDATE TO AOA BOARD OF TRUSTEES AND AFFILIATES

2017 AOA Midyear Business Meeting
John R. Gimpel, DO, MEd, NBOME President & CEO

“To protect the public by providing the means to assess competencies for osteopathic medicine and related health care professions”
NBOME Mission

To protect the public by providing the means to assess competencies for osteopathic medicine and related health care professions.
2017 AOA BOT Midyear Business Meeting

Bold Ideas 2016-2017

- **COMLEX-USA Program Enhancements**
  - New Master Blueprint 2018-2019
  - Clinical Presentations
  - Eligibility
  - 2017 enhancements to testing experience
  - [www.nbome.org](http://www.nbome.org)

- **Innovations In Assessment**
  - COMLEX-USA, COMAT, COMSAE
  - Partner Assessments for Resident In-Service Examinations, Board Certification Purposes
  - NBOME’s CATALYST continuous assessment program - **NEW!**
### C2: Lifelong Learning/ CME
- Self-assessments – pre and post tests for on-line or traditional CME courses or modules
- NBOME’s **Learning Center**, CME

### C3: Cognitive Assessment
- Secure, proctored examinations
- Test development: Item development, computerized item banking, customer service/administrative support
- Customized score reporting
- Psychometric consulting
- **CATALYST** - continuous assessment program

### C4: Practice Performance Assessment and Improvement
- Performance Testing and Clinical Skills assessments
- **OPAI M** practice appraisal and improvement program
Alternative methods to ensure ongoing physician competence

**CATALYST (a new customizable approach)**

- Assessment **FOR** learning to enhance physician practice
- Continuous practice relevant assessment, customizable timing/delivery, e.g.:

<table>
<thead>
<tr>
<th>Quarter 1</th>
<th>Quarter 2</th>
<th>Quarter 3</th>
<th>Quarter 4</th>
</tr>
</thead>
<tbody>
<tr>
<td>40 – 80 Items Per Year (or 400 – 800 Items over 10 years)</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

- Items (questions) map to the Client (e.g., Certifying Board) specifications/blueprint and to align with the physicians practice
Alternative methods to ensure ongoing physician competence

CATALYST - access

- Easily accessible on smartphones, tablets or computers 24/7
- Examinees receive notification of new assessment questions
- Short test questions formats to fit busy schedules
- Cost effective
Alternative methods to ensure ongoing physician competence

CATALYST - content

- Allows for confidence and relevance input
- Enables continuous assessment and learning in a practice-relevant manner
- Pilots now underway (e.g., AOBIM, AOBP)
Alternative methods to ensure ongoing physician competence

CATALYST - results to examinees

- Examinees receive immediate feedback based on their performance
- Examinees directed toward improvement resources based on individual learning needs
- Enables spaced repetition fostering retention & lasting practice improvement
Selected Achievements 2016-2017

- Second NBOME National Center for Clinical Skills Testing- Chicago-opened August 2016 for Level 2-PE testing!!
- AOBI M Partnership- subspecialty examinations, OPAI Ms, CATALYST pilot
- National Board of Podiatric Medical Examiners Partnership- clinical skills exam for licensure
Selected Achievements 2016-2017, continued...
