The American Osteopathic Association’s Commission on Osteopathic College Accreditation (COCA) currently accredits 37 osteopathic medical schools operating in 58 sites (for the 2020-2021 academic year). This past spring (2021), an estimated 7567 osteopathic medical students graduated from COCA-accredited COMs, and it is estimated that approximately 8945 first year osteopathic medical students will matriculate in the upcoming 2021-22 academic year, such that there will be approximately 33,800 osteopathic medical students in attendance at COCA-accredited COMs during the upcoming 2021-22 academic year.
