DIVISIONAL SOCIETY REPRESENTATION

At the 2013 Annual House of Delegates meeting the AOA House of Delegates approved Resolution Number H-500 - A/2013, which deals with the composition of the AOA House of Delegates.

A total of **473 delegate positions** will be allocated among the Divisional Societies for each of the states, the District of Columbia, and osteopathic physicians serving in the Uniformed Services (Military). Each Divisional Society and Military automatically receives one delegate. The remaining delegate positions will be allocated among the Divisional Societies and Military based on the proportion of members of the AOA who are located in the state represented by that Divisional Society or in the case of the Military, the proportion of members of the AOA currently serving on active duty in the uniformed services of the United States. The allocation of the remaining delegates will be recalculated each year.

Additionally, each accredited osteopathic college (and accredited branch campus) will be represented in the AOA House of Delegates by its student council president (and alternate) who is seated as a member of the delegation of the Divisional Society representing the state in which the osteopathic college is located.

* Includes one (1) student delegate/alternate
** Includes two (2) student delegates/alternates
