Mr. Speaker, the Committee on Rules & Order of Business met on July 25, 2019, to consider late resolutions.

Mr. Speaker, I present the following Consent Agenda, and the Committee recommends that the House of Delegates APPROVE the following late resolutions for consideration and action by the 2019 AOA House of Delegates:

H-362 SAFE HAVEN NON-REPORTING PROTECTION FOR PHYSICIANS – SUPPORT FOR

Explanatory Statement: Resolution H-359 – A/2018 passed by the 2018 House of Delegates gave a directive that “that the American Osteopathic Association’s Bureau of State Government Affairs and/or other appropriate bureaus or committees develop policy in support of safe haven non-reporting protections and develop draft statute language for use by state affiliates interested in pursuing safe haven non-reporting protections for physicians.”

The Committee recognizes not only that this is a continued report as a response to the House’s edict, but also notes that although it is not truly a resolution, it was reviewed and ratified as appropriate for submission to the House of Delegates.

The Committee further recommends that the House Professional Affairs Reference Committee consider updating the title to reference the 2018 resolution passed by the House of Delegates, as well as the “SUBMITTED BY” line to read House of Delegates / Bureau of State Government Affairs.

And I so move. APPROVED

The Committee reviewed the last modified edition of the AOA House of Delegates Primer (2016) and would recommend it be accepted as the handbook of the methods and rules under which the 2019 House of Delegates operates.

And I so move. APPROVED
Mr. Speaker, this concludes the Committee’s report. I would like to thank the members of the Committee.
