

AMERICAN OSTEOPATHIC BOARD OF SURGERY

AOBS Leadership Opportunity!

The American Osteopathic Board of Surgeons (AOBS) is seeking a urological surgery leader to serve as a member of the AOBS Board of Directors in the role of **Chair, Division of Examiners, Urological Surgery.**

Board Members are charged with helping to establish and maintain high standards for AOBS certification while working with cutting edge physicians who are committed to the success of AOBS board certification.

Consideration for qualified Candidates include:

- Holding an active AOBS board certification in urological surgery
- Maintaining an active and valid license to practice medicine in addition to being clinically active for a minimum of 3 years
- Experience as an AOBS Examiner either past or present
- Experience in an academic background (preferred not required)

For more information, please visit the [Get Involved](#) page on the AOBS website or email your interest for consideration along with a current Curriculum Vitae (CV) to Sue Murray, AOBS Certification Director at smurray@osteopathic.org.
